

# Content Warnings

I've done my best to include as many content warnings as I can here, but I can't guarantee that I've caught all of them. As always when reading a novel that covers heavier topics, please keep your mental health in mind!

Throughout: racism, slavery, dehumanization of a fictional race, eugenics

Prequel-Elliot and Dorian: conscription, death of loved ones

Prequel-Edyth and Beatrice: experimentation on prisoners, brief mentions of CSA (not on screen)
