

# Content Warnings

I've done my best to include as many content warnings as I can here, but I can't guarantee that I've caught all of them. As always when reading a novel that covers heavier topics, please keep your mental health in mind!

- death of a loved one and grief
- references to past trafficking trauma with brief, non-graphic flashbacks
- way too many self-sacrificing tendencies
- descriptions of one character's drawn-out death
