

Content Warnings

I've done my best to include as many content warnings as I can here, but I can't guarantee that I've caught all of them. As always when reading a novel that covers heavier topics, please keep your mental health in mind!

Throughout: dissociation, eugenics, lack of choice, sexual content (never graphic! Similar in style to *Red, White, and Royal Blue*), near death experiences, manipulation, racism (of a fictional race), dehumanization of a fictional race

Clash with the Ancients: helping someone through a flashback, death of a loved one by main character's hand, betrayal, torture (mental, not physical)

A House's Dissolution: self-harm (in one chapter)
